

1. APPEAL FOR EYE CLINIC

Sri Ramakrishna, Holy Mother Sri Sarada Devi and Swami Vivekananda felt the urgent need to help the Indian people come up to a higher standard of life and health. Their infinite sympathy for the poor inspired the Ramakrishna Mission to start this Ashrama in Chapra, the native place of Swami Adbhutananda, who was born here. Adbhutananda (Latu Maharaj) himself expressed his wish that the Mission would do something for the suffering people of his home District. Long after his death the Chapra Ashrama was started in the 1980's. Its charitable activities have slowly expanded up to the present.

To fulfill the need in our Medical Section, Eye Department, we shall be greatly obliged to you if you kindly donate Rs. 3,25,000.00 so our Ashrama can purchase one (1) **TOPCON AUTO-REFRACTOMETER RM-800**. It will help us serve the poor and needy people of Bihar.

2. APPEAL FOR FURNITURE

Devotees of Sri Ramakrishna, Holy Mother Sri Sarada Devi and Swami Vivekananda were feeling a great inspiration after reading the "Lives of Thakur, Ma, & Swamiji". They wanted to start an Ashrama here in Chapra—which happens to be the birth place of Swami Adbhutananda (Latu Maharaj), a great sannyasi disciple of Sri Ramakrishna. It was in the 1980's that their desire for a new Ashrama was realized.

I request you now to help us with the purchase of chairs for the Ashrama's Vivekananda Hall which seats easily an audience of 300 guests and devotees. The chairs will be a valuable asset of Chapra Ashrama and will be of much use for the many public functions held each year in the Vivekananda Hall.

Cost approx. Rs. 100,000 /-

3. APPEAL FOR VEHICLE

Everyone knows, the terrible flood situation which occurred in 2016 in Bihar's Saran District which caused sorrow and grief to thousands of people. Immediately, R.K. Mission Ashrama, Chapra started relief activities— going from village to village to assess needs and bring supplies to the afflicted people. We had to face a lot of trouble in carrying relief materials to each and every place. We should mention that besides flood relief, we serve people year-round through Winter-relief, Fire-relief, Distress-relief, Medical-relief & other works requiring transport of lots of materials.

In order to facilitate our work we need one suitable Bolero-Van to carry relief supplies to the rural parts.

The vehicle's cost is Rs. 700,000 /-

Kindly accept our warm regards & Namaskars.

Yours in service

Swami Atidevananda
